

# Heartland EMS for Children Virtual Pediatric Symposium

Caring for Children with Special Health Care Needs

DECEMBER 10TH & 11TH  
7:00 - 9:30 PM CST

**DAY 1:** Straight talk from the experts with Dr. Paula Kocken, Rachel Lamfers and Melissa Winger. Identify the types of atypical development and effective ways to connect with each, strategies to find the "real" problem and learning from personal stories.

**DAY 2:** How are we doing? Paul Soddors, a childhood-cancer survivor, parent and champion of special health care needs, shows where we've been, where we're going and simple things we can do RIGHT NOW to provide the best care for kids in our own communities.
